Support services for legal professionals

Title Research provides specialist outsourced support to estate administrators across two core areas:

Probate genealogy

- **Missing beneficiaries:** UK and overseas
- **Intestate estates:** Reconstructing family trees to establish all entitled kin or verification of existing family trees (a free initial assessment can be provided)
- **Missing Beneficiary Indemnity Insurance:** All of our research is suitable for insurance and we are regulated by the FCA to mediate on behalf of the estate to obtain suitable policies
- **Administrator Search:** We can assist with locating Administrators for estates where there is no known next of kin
- **Statutory Will Research:** We can assist in establishing the next of kin who may need to be informed that a Statutory Will is being written
- **Documents:** We can help obtain records of birth, marriage, and death in the UK and overseas

Fees and methodology

- We charge on either a fixed fee or time and expense basis
- We only take instruction from Personal Representatives and do not enter into contracts directly with beneficiaries
- All cases are managed utilising a market-leading practice management system

Managing assets in estates

- **North American shareholdings:** We have many years of experience dealing with North America, including the transfer and sale of holdings; Medallion Guarantee Stamps; obtaining Federal Tax Clearance; and escheatment claims
- **UK Shares:** We can assist with the transfer or sale of UK listed shareholdings
- **Probate Valuation and Verification:** We can assist with valuing holdings as of date of death, as well as verifying their status and how they are held for UK and overseas listed holdings
- **Grants and Reseals:** We have a network of international partners that can support with obtaining foreign Grants or resealing the UK Grant of Probate
- **Financial Asset Search** (powered by Estatesearch): Search across 450 databases held with over 150 financial institutions in the UK to assist in locating a Deceased's assets
- **International Bankruptcy Searches:** Verify the insolvency status of beneficiaries residing in over 70 jurisdictions
- **International Currency Transfers:** A fast and cost-effective solution to transferring funds to and from overseas jurisdictions
